# President's Corner

Dear Friends and Sts. Peter & Paul Historical Foundation Family,  
Just today my son took me for a ride around Sts. Peter & Paul church and yes, the flower beds do not look good. Throughout the spring season, Carol Woods Boren and I tried to keep the flower beds going. Bernie White helped with some of the weeding. Charlie and Marie Harms helped plant the red geraniums. We watered and weeded as often as we could, but "old mother nature" took over and the beds look overgrown. To make matters worse, both Carol and I had a rough spring with knee problems which resulted in total knee replacements for both of us. In the end, our surgeries were 2 days apart. We feel bad that the gardens have grown out of control this year! You can really tell we worked hard at it other years because it didn't look like it does now. Some of the board members have told us "we have to do something different now!" We will discuss as a board our next steps. We have a beautiful sight with the new flag pole, memorial benches, memorial boards and information displays. Beautifying the gardens will help to enhance everything else. Hopefully the Fall Fun Auction can help us financially to upgrade the beds into a less labor intensive design.

As I'm writing this newsletter, I receive news that we are having water well problems at the church. A special board meeting has been called to decide as a group what must be done. The well itself is many years old, so I have a feeling we may have to start over. If that's the case, then a portion of the proceeds from the Auction will go towards the new well.

We have been working to get donations for our "Fall Fun Auction". There are so many loyal donors that will be helping us out again this year. It's still too early to imagine all the special items we will have on the sale, but we know each year turns out great. The many baskets will be filled with fun items and make for an exciting silent auction. Folks will also, have purchased their raffle tickets and be waiting in anticipation for their name to be called as a 'Winner'. Good luck to all!

The day will begin at 11 am with the wonderful grilled pork loin dinner and all the trimmings. It makes a person hungry to think of that great smell and taste! Let's not forget about the Kolach Corner – Leona and the ladies will have approximately 70 dozen kolaches and other goodies for sale.

Yes – the Auction is a lot of work, but it's a very rewarding day when we see all our friends arriving in support of the Church by providing a helping hand, bidding and providing a smile or two. Look forward to seeing you on Sunday, September 16<sup>th</sup>.

Sincerely,

Sts. Peter & Paul Historical Foundation President

# CORPUS CHRISTI CELEBRATION

Was held on Thursday, May 31st with a Mass in Sts. Peter & Paul Cemetery at 6 pm. Father Tim Sheedy from Solon St Mary's Catholic Church lead the Mass. The flower petals were plentiful for the 15 children who participated by walking ahead of the canopy making a path of petals. Next were the altar servers then the canopy covering Father Sheedy who carried the blessed sacrament. Followed by the congregation. The procession ended at the 2<sup>nd</sup> altar designed and decorated by the Serovy Family. Many thanks to Father Sheedy, Serovy Family, readers, communion distributors, altar servers, bell ringer and choir! Praise to God for the wonderful weather and peaceful countryside for all to enjoy!

A delicious potluck and lots of visiting followed in the Chapel Hall.

## Float in the Solon Beef Days Parade

Thanks to Caitlyn, Kenzie, Madie, Lexi and Rylie Boren for riding in the truck to help promote our Fall Fun Auction.
