Including any weather-related announcements.

President's Corner

Dear Friends and Sts. Peter & Paul Historical Foundation Family,
We are a very busy community getting ready for our "Fall Fun Auction". With some of our "King Pin" board members retiring off the Board, we are helping our new members get started. We want to thank 3 of our long-term members: Stan Barta, Charlie Harms and Greg Hipple for all the help and guidance throughout the years. Especially when it comes to soliciting donations from very generous individuals and companies in the area. These board members promise they will still help in many ways. I hope those generous individuals and businesses will continue to donate when our new board members come a calling.

This past year we have used some of our auction funds for drilling a new water well, resurfaced and marked our parking lot plus updated the landscaping around the chapel. The church and grounds are in great shape now. Once in awhile we need to Stop and look around at how well kept and peaceful it is there at Sts. Peter & Paul. Our ancestors would approve at how well we are preserving the history and place of worship they built for us. Almost every time some one (like myself) is working there at the church a car will stop and ask about the church. The last car that stopped when I was there was a family from Des Moines and we had a great conversation. Bernie White is at the Chapel a lot and has many stories to tell about visitors stopping by. We do love to share our stories. It is so comforting to know our security system works and lets us know when there are problems – even during the storms we have had lately. We appreciate the Johnson County Sherriff Department, too. Just ask Greg Hipple how many trips he has made out to check on the Chapel before he retired from the Sherriff Department.

Thank you to all for helping to keep our special place in great condition and safe. It is appreciated by many.

Mike Rice and family will be grilling the pork loins and patties for our auction. The potato salad has been ordered and baked beans will be ready to be served at 11 am, too.

And talk about Kolaches!! Leona Smith and I are visiting with our Kolaches and specialty item bakers to confirm they will donate again. How fun it is to see all the baked goods waiting for someone to take home. Don't forget to purchase your 'Cookies in a jar game! It will take time to look over all the baskets in the Silent Auction that have been prepared by the Basket Committee. Then before we know it, 1 pm has rolled around and it's time for the live auction. Brent Wears and crew conduct the live auction. Then the event concludes with the announcement of the Raffle winners. Have you purchased your tickets, yet? Board members have tickets to sell.

It is always great to see everyone enjoy a fall day here at the Church.

P.S. – Congratulations to Auctioneer Emily and husband, Cody Kroul, on the birth of a baby girl -about 2 weeks ago. Best Wishes to their family.

Sincerely,

Sts. Peter & Paul Historical Foundation President
