Capital Campaign to Kick-off soon

The Board has been receiving quotes to improve the outside of the Chapel. The quotes include tuckpointing the deteriorated mortar, brick replacement, caulking and concrete foundation repair. In addition, repairs to the parking lot will be taking place within the next few months. As you can imagine, the size of these projects are not without cost. A Capital Campaign is being developed and will be released soon. Please consider donating to the Chapel as you are planning your budget. Contact a current Board Member if you have questions and/or would like to help.

Christmas Sing-A-Long Review

The December night air was brisk but full of anticipation as guests arrived for the Sing-A-Long. Attendees were excited to see the seasonal decorations and the children performing some of their favorite songs. We also celebrated Kenny Kuhlman's 1st Birthday with cake and a round of Happy Birthday! Kenny is the son of Cheryl & Aaron Kuhlman. Thanks to Beverly Poduska and Cheryl Kuhlman for providing the accordion music. Thanks too, for Mary Holubar who led the singing. Santa Claus found time in his busy schedule to stop by and visit with the youth and young at heart. Our sincere appreciation goes to those attending plus all who helped to decorate, supply goodies and work the kitchen.

Stations of the Cross Report

Approximately 50 people attended the traditional Good Friday event. Thanks to all 14 readers and to Kasey Dix for organizing the participants. This year, John Pisarik performed a song prior to the readings. This was greatly appreciated and helped the attendees settle and prepare for prayer.
